

AND THE HITS JUST KEEP ON COMING

Part 1

Our faith will be defined most in the seasons when life is the worst. And our faith is best when it's fastened to actual promises, not future outcomes.

Discussion Questions

1. Where do you fall on the scale of optimism versus pessimism? Has this pandemic season changed where you normally would be on that scale?
 2. How would you explain the difference between having faith and believing "It will all work out"?
 3. Were you taught either implicitly or explicitly that things work out more favorably for people of faith?
 4. Read **Acts 16:22–25**. What stands out to you?
 5. When is the last time you were treated unfairly... at work, as a customer, or somewhere else? How did you respond? Would you respond differently if it happened again? If so, how?
