

PART 2: GOING GLOBAL

Since 2007, you have served 336,436 hours with 610 exceptional nonprofits and communities around the globe.

Volunteering makes a difference. When you serve with a nonprofit, you help them accomplish more as well as communicate value and dignity to those they serve. That's why we want to give your group an opportunity to do more and give more—good things happen *through* your group and *in* your group when you prioritize serving others.

The name Be Rich comes from 1 Timothy 6 in which Paul tells a young leader named Timothy:

“Command those who are rich in this present world . . . to do good, to be rich in good deeds, and to be generous and willing to share” (v 17-18).

Be Rich: Serve begins November 11

So, here's how we want you to spend your first group meeting after November 11:

1. Visit **berich.org/serve**.
2. Look at the service opportunities available through your church.
3. Decide which opportunity best fits your interests and schedules.

NOTE: Do your best to pick a time when everyone in your group can serve. But if you can't find one, everyone in the group can and should serve—even if you have to divide into smaller groups to do separate service projects.

4. Sign up.
