

### **Week 3: It Takes A Village**

Following the Way of Jesus is impossible in isolation.

#### **Discussion Questions**

1. Let's go back to high school, what were some of your favorite experiences?
2. Whether in school or work, what is your relationship with group projects or presentations?
3. Rahul stated, "Life is a group project." Do you agree with that? Why? Why not?

#### **Hebrews 3:12-14 (NIV)**

4. What does the author of Hebrews say true community looks like?
5. What does it look like for you to encourage (to call to one's aid) others daily? How does this play out in the day to day?
6. How does community not allow us to be hardened by "sin's deceitfulness?"
7. Out of the three elements of community (commonality, vulnerability and accountability), which one do you find easiest to implement? Which one are you most difficult to implement?
8. What can you do to train together, pursuing accountability and vulnerability?

#### **What's Next?**

Pray: God, help me walk slowly enough to experience Jesus fully and to **love people deeply**.
