

WE ARE NORTH POINT

We Are North Point

Many of us can remember someone who believed in us. Whether it was to pass a test, perform at an event, or navigate life. The people who have believed in us have given us a gift that set us up for a better future. Today we are going to talk about what it would look like to invest our belief into the next generation—to make it our life mission to believe in those who need a champion in their corner.

Discussion Questions

1. Tell a story about someone who believed in you.
2. What would you say is your life's mission?
3. How do your actions reflect in the things you believe in?
4. **Read Philippians 1:6.** What does that mean to you?
5. How does God's belief in you change the way you believe in others?
6. What do you believe would happen if your actions reflected your belief in the next generation?
7. If it's true that every child is one caring adult away from a better future and a better faith, how can you become that one caring adult for a child in your community?
