

Were You There?

Hey.
Did you see what just happened?
Were any of you there?

My Dad and I were walking to town and we came across a huge crowd all gathered along the road.

Were you there?

Did you see that man who was all beaten up, carrying this huge cross?
People were shouting at him.
I asked my dad what was going on but he didn't tell me much.
Just that that man's name was Jesus.

Were you there?
Did you see him?

I guess he got arrested in a garden and Governor Pilate said he had to carry that huge cross up this huge hill.
But he was so beaten up that he couldn't carry the cross anymore.
So, the soldiers made another man carry it for him.
But my dad took me away from the crowd so I didn't see what happened on that hill.

Were you there?

Can anyone tell me?
What happened on that hill?
