*[Sixteen years ago, I cast vision for the Browns Bridge Church property. We launched Buckhead Church in a grocery store. Then we built two buildings at the same time. I didn't want to.]*

Elders: "Have more **faith**, pastor."

*[Then we went west: Woodstock City Church. And we went east: Gwinnett Church.]*

*[Chris Patton's team, Southside, Newnan, Henry County, Athens Church, Wiregrass...]*

*[We participated in dozens of church plants.]*

*[What you've done is remarkable. But then...]*

The **Church** is remarkable. *[Capital "C" church]*

*[To appreciate how remarkable it is...to appreciate the privilege we have, I want to take you on a journey back in time.]*

*[Imagine that you, five friends or family members, and I travel back in time.]*
